

## CALGARY YOUTH SCIENCE FAIR

### RULES and INSTRUCTIONS

MUST BE READ AND UNDERSTOOD BEFORE SIGNING THE ENTRY FORM

1. **All students must complete the Ethics and Due Care Form (2A) on the CYSF Platform for approval from the Safety Committee. Please ensure the Basic Project Information is completed first. The Safety Committee will determine if your project involves significant risk and inform you if you need to fill out Form 2B. All projects complete 2A only some projects will be required to complete 2B.**
2. If your entry involves surveys or otherwise uses human subjects, each person in your study must read and sign an *Informed Consent Form (2C)*. These forms should be kept in your Log Book.
3. Questions regarding any aspect of the fair should be directed to your *SCHOOL COORDINATOR*.
4. Entries are limited to *GRADE 5 & ABOVE*.
5. An individual may be involved in only one project.
6. Group projects may consist of only *TWO STUDENTS*.
7. No project previously entered in Calgary Youth Science Fair may be re-entered unless it has been drastically modified.
8. **Your project must comply with CYSF Entry rules and Ethics and Safety Regulations which can be viewed online at [cysf.org](http://cysf.org). You confirm that these have been read and understood by you and by your parents when you complete the declaration section on the CYSF Platform.**
